

National Contract Management Association Boston Chapter Presents the 55th Annual March Workshop (2016)

NEW MEMBER PROMOTION

We are looking for new members to join the NCMA Boston Chapter! Only for a limited time, and only as part of your online registration for the March Workshop, NCMA Boston is offering a subsidized membership to the National NCMA organization. The regular rate for a standard one-year membership is \$175, and the “new professional” one-year membership is \$110 (eligible to new members age 33 and under as of April 1, 2016), but you can apply to join NCMA at a discounted rate of \$100 by selecting the “New Members” rate when registering for the March Workshop. Your combined \$350 registration fee will cover both the costs of your registration for the March Workshop and your application to join as a new member of NCMA.

A few details about our promotion:

- We will collect all required data to complete the NCMA Member Application at the time of registration (including date of birth information) as required.
- The NCMA Boston Chapter membership committee will complete all applications as a batch immediately following the March Workshop; your official join date will be after the Workshop and prior to 01-April.
- We invite you to contact us at events@ncmaboston.org if you have any questions or concerns.

Join NCMA today and receive:

- A 12-month subscription to *Contract Management* magazine
- Complimentary access to the Contract Management Resource Directory
- Access to top-notch educational and professional development materials and webinars
- Through the Boston Chapter, access to professional development and networking events with other Boston-area professionals in the acquisition-related career fields
